Karen Millar, Computer Ministry

Email: webmaster@unityslc.org

Karen has been doing the Unity website since late in 1995. Her website experience started about two years before that, while she was still in Albuquerque and had not returned to Salt Lake. Karen has been involved with computers in one way or another since 1972, when she began working at the University of Utah Computer Center. Karen prides herself in being *the hugmeister*.

Mary Bottomly, Loving Hands Ministry

Mary is the person whose loving hands, fold and prepare our bulletins each week and makes the guest packets. Mary and her husband John moved to Utah from Boston, Massachusetts in 1982. John had recently retired from his law practice and they wanted to be near three of their six children. They had come for a visit the year before and were so impressed by the lack of congestion, the friendliness of the people and the beauty and close proximity to the mountains, that they made the decision to stay.

Sharon Aaron, Sunday Services Ministry

Sharon is the person who sets up the schedule and does the training for the ushers, greeters and visitors' guides. On Sunday mornings, she sees to it that all the bases are covered. Through the dedication of Sharon and her team, all of us who come to Unity regularly and those who visit with us, are greeted warmly and cared for in a loving way.
